Thinking
about
each other

Our personal motto
for 2024

Dark and lonely
a December night could be.
Until we show someone:

*"I've been thinking about you...
I remember,
how much you give to my life.*

*And know that there is often not
enough time in my everyday life
for you.*

*The days are passing by too
quickly,
and I often lose my point of view-
on what is important,
and what really counts.*

*That's why I want to say today,
how important you are to me.
How fondly I think of you,
and how much I miss you
sometimes.*

*And even though time often
passes far too quickly:*

*Every beautiful memory
together, every kind word,
every togetherness - that
remains."*

We are thinking about each other
today - and the wonderful
moments we have already
experienced together here
at MIRAMONTI.

Thank you for being a precious
part of our history and our hearts.

We wish you a Merry Christmas
and a New Year full of love
and togetherness.

Sincerely,
Carmen & Klaus with
55 dedicated employees
